Hyperdimension Neptunia® Re;Birth3® II is the second installment in this game's release of RPG, dungeon RPGs with a visual novel presentation that follows Chihiro Tamaki who is on a mission to defeat the goddess that conquered Gamindustri, Neptune. To make this dream come true, Re;Birth3 is at the core of the new era of the "Re;birth" series and its gameplay shows the ultimate in Goddess simulation RPGs. The girls' party will even be flying on the battlefield this time around! Who will emerge as the Ultimate Goddess of Victory in Hyperdimension Neptunia Re;Birth3 Giant Island? Play as Heroine: Chihiro Tamaki has her unbreakable sense of duty as their Heroine and goes on a "Heroine Alliance Missions" to save the Goddess and the entire Gamindustri. Are you ready to fight alongside the Heroine in order to become stronger? BECOME A HEROINE AND FIGHT ALONGSIDE HER! Collect Power Stones: Hyperdimension Neptunia Re;Birth3 Giant Island has more than double the quantity of Power Stones than in Rebirth2, so you will need to clear more dungeons to collect them. By collecting Power Stones, the girls' character growth will increase, allowing you to collect even more epic weapons and items. The dungeon will be harder than the ones from Rebirth2, so you will need to be prepared! Defeat stronger enemies: In Hyperdimension Neptunia Re;Birth3 Giant Island, you will be getting monsters with even higher HP and stronger attacks than those from Rebirth2. As your levels increase, you will find that there are even higher-level enemies and magical attacks available to you. Collect powerful weapons: Hyperdimension Neptunia Re;Birth3 Giant Island has more weapons and items to collect than Rebirth2, so you will want to go on more dungeon missions to collect them. Collect items to increase the strength of your weapons, allowing you to defeat even more powerful enemies. Battle in the Arena: In Hyperdimension Neptunia Re;Birth3 Giant Island, you will be battling in the arena, which means that you will be fighting in its entirely new sphere! The arena battles have a new story arc. Use new and more powerful weapons: The first battle against enemies in the arena is easier than the Battle of the Goddess in Rebirth2, and since it's a new experience, you will want to use your new weapons to increase your chances of
